TIME SCHEDULE

A time schedule will be e-mailed (provided that an email address was clearly provided on your entry form) no later than seven (7) days before the competition date to all entrants. There is NO general format. Every regional schedule is based solely on the breakdown of entries by solos, duet/trios, groups and lines in each age division for that particular city. This breakdown is not available until all of the entries have been processed. At that time, a schedule will be set to best accommodate the entrants at that competition. No time requests will be accepted.

ALL ENTRIES MUST COMPETE ON THE DAY AND TIME ASSIGNED. We understand that there are sometimes unforeseen events that can arise. Any entry, which is not able to compete at their assigned day and time, may request an alteration to the routine's performance time. If this is approved, this routine may be permitted to compete for AJUDICATION ONLY and may not be eligible for high score awards. Any change in competition days and/or times is at the sole discretion of the Director and will be determined by the time allowance at each Regional Competition.

The number in which each routine is assigned is for reference and identification purposes. Routines will perform in numerical order. If the backstage manager sees potential delays due to costume changes, you may be asked to compete out of sequence in order. Please be prepared to compete when we call your number, even though it may be a few numbers earlier than you anticipated.

Performers MUST be checked in with the Backstage Manager 1 HOUR prior to their scheduled performance time. Failure to do so may result in your routine being disqualified.

****NOTE**** If you determine that you do not have enough time between numbers to change costumes, it is imperative that you advise the backstage manager. If the backstage manager has not been notified of any problem, and you are not ready to compete when called, your routine may be disqualified.

GENERAL DIVISIONS / TIME LIMITS

IMPORTANT: Any person who is actively participating in a routine for ANY amount of time is counted as a performer and must be registered as such. This includes any person who can be seen by the judges for any amount of time, and any person who may be in a costume that covers their face.

Solo – (1) Performer

Time Limit - 2:45 minutes

Fashion Modeling & Compulsory Time Limit – 1:30 minutes

- Advanced and Intermediate Soloists are limited to entering a maximum of three (3) solo performance categories and may not compete against themselves in any category. (*Soloists may compete in the Compulsory, Fashion Modeling and Vocal Category in addition to the dance categories*).
- A contestant cannot place more than once for high score in the Solo division.
- We reserve the right to limit solos to two (2) per dancer, depending on the venue capability and space.

***NOTE: Solos MUST compete in the level in which the dancer is listed on your roster (Excluding Vocal, Compulsory & Fashion Modeling).**

Duet/Trio - 2-3 Performers

Time Limit - 2:45 minutes

- *No Duet/Trio may compete against themselves in the same performance category with the same performers. There must be a 50% difference in performers to be in the same age group of the same category.*

Large Group – 10-19 Performers

At any Regional competition, if any act drops below the minimum number of performers required in the group they registered for, the act will be adjudicated, however, the act will not be eligible for High Score Awards. *EXAMPLE: A group of 10 performers registered as a Large Group... if 1 performer is unable to perform, this will then drop the number in the group to 9. They can still be judged as a Large Group, so that all 10 can attend Championships, but they will not be eligible for the High Score Awards. If this routine changes to a Small Group, then they will be eligible for High Scores and will qualify for Nationals as a Small Group.*

EXTENDED TIMES: Solos, Duet/Trios, Groups & Lines may purchase an extended time of 30 seconds at \$3/per performer. Grand Lines may purchase an extended time of 2 minutes at \$3/performer. To register for extended time, please check the box on the routine that indicates "Request Extended Time" on your online studio account.

Note: Routines that are over the time limit will result in automatic point deduction of one point or a fraction thereof for every 5 seconds of overtime if extended time has not been registered for that routine.

AGE DIVISIONS

AGES ARE DETERMINED BASED ON THE DANCERS AGE ON JANUARY 1ST, 2019.

DIVISIONS: 4 & Under; 5-6 Yrs; 7-8 yrs; 9-11yrs; 12-14 yrs; 15-16 yrs; 17-19 yrs; 20-29 yrs; 30-39 yrs; 40-49 yrs; 50 yrs and over. NOTE: JAZZ, TAP, LYRICAL, CONTEMPORARY AND OPEN CATEGORY CONTESTANTS WILL ENTER THE FOLLOWING SINGLE AGE DIVISIONS: 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19.

DETERMINING AGE DIVISION: Duets/Trios, Groups and Lines will compete at the average age division determined by averaging the age of all members of the group. Do not use decimals or round up. Example: If the average comes to 11.8, they will compete in the 11-year old age division. NOTE: If there are any substitutions of any performers for National Championships, the ages must then be re-averaged and the group must then compete at the age division that the average is as of the first day of championships they are attending.

ADULT AGE DIVISION: Any routine with a performer 20 years or older will compete in the Adult Division (*with the exception of the Grand Line Division*). All adult performers MUST compete in the Advanced performance level and are not eligible for High Score Awards. If enough routines are entered in the Adult Category, a special High Score Award may be awarded at that regional. Adult dancers may include Teachers, Professionals, Parents, etc.

PROOF OF AGE: All performers are required to have proof of ages on hand at every SDA competition. Failure to provide a birth certificate or drivers license if an age division is challenged will result in disqualification of that routine.

HIGH SCORE AGE DIVISIONS: High Score Awards will be given out in the Petite (8 & Under), Junior (9-11), Teen (12-14) and Senior (15-19) age divisions.

*NEW – Age Bump Rule (*Small Groups only*) – The oldest performer in a small group may only compete (1) age division lower than his/her age. Example: A routine with a 15 year old performer may only compete in the Teen(age 12-14) or Senior (age 15-19) divisions regardless of the average age. A 15 year old small group performer may never compete in the Petite (8 & Under) or Junior (9-11) age division.

COMPETITION LEVELS

Studios are required to assign a competition level for EACH performer when they are entering their roster in the registration system. Please be certain that you are entering your performers in the CORRECT PERFORMANCE LEVEL. *NOTE: DANCERS MAY ONLY BE REGISTERED AT ONE LEVEL...Any dancer found to be registered in more than one level may be disqualified.* Dancer's levels WILL NOT be able to be changed once entered. SOLOS and DUET/TRIOS MUST COMPETE AT THE LEVEL IN WHICH THEY ARE REGISTERED ON YOUR ROSTER.

ASSIGNING LEVELS

The following **guidelines** are suggestions to be used in determining the appropriate level placement of each competitor. Because no competition can possibly know how many hours a child dances or for how many years they have danced, it is left to the teachers own sound judgement when entering level placement for their students.

ADVANCED Level: This competition level is for *top-level competitive* dancers who perform at an advanced technical level. All entries will be adjudicated, and will receive High Score Awards. ****This is the ONLY level that is eligible to compete for Title and receive Prize Monies. In addition, only advanced dancers are eligible to receive the Highest Level Adjudication.*

INTERMEDIATE Level: This competition level is for the *intermediate or 'on the rise'* dancers, and is recommended for dancers who have had approximately 2-5 years experience. Entries will be adjudicated, and will receive High Score Awards within this level.

NOVICE Level: This competition level division is for *beginning* dancers who have little or no experience competing. Dancers may only be considered 'novice' dancers for a **maximum of 3 years**.. Entries will be adjudicated, and will receive High Score Awards within this level. NOVICE LEVEL DANCERS ARE LIMITED TO (1) SOLO

****IMPORTANT**** - It is at the judges discretion to move any routine that they feel is placed in a level below their ability to the level in which they feel is necessary. All judges decisions are **FINAL**. If the judges determine that a routine should be moved to a different level, and that level has already competed, the routine will then be eligible for adjudication only.

Small Groups and Duet/Trios - The highest level of dancer in a routine will determine the level of the routine. *Example: One Advanced Dancer and 8 Intermediate Dancers will determine the routine to be in the Advanced Level. One Intermediate Level dancer and 8 novice dancers will determine the routine to be in the Intermediate Level.*

Large Groups and Lines - No more than 1/3 of the dancers in a routine may be a higher performance level than the level that the routine is entered. *Example: If a routine has 12 dancers - 4 advanced, 4 intermediate & 4 novice, the routine will be placed in the 'advanced' level because 1/3 or more of the dancers are advanced.*

*No dancer that is registered in the 'advanced' level will be permitted to dance in ANY 'novice' level routine.

*No level changes can be made at the door.

*No Solo may be bumped to a higher competition level than the level in which the performer is listed on the studio roster.

*Groups/Lines may be placed in a higher competition level than the average of the participants, but never a lower level. This must be done PRIOR to the competition.
